

## turnitin.com

Every student needs to create an account for [turnitin.com](https://turnitin.com). Major writing assignments must be submitted to turnitin.com. I will not give you a grade until this has been done. All that is required is your GUHSD e-mail address (which will be your username and be used if you forget your password) and a password with both letters and numbers. *Make sure you complete the secret question. Your teacher cannot access your account if you have a password problem.*

**You will NOT be able to earn credit for an assignment if you do not submit it to turnitin.com! I will always let you know which assignments need to be submitted.**

### How to make an account:

1. Go to [turnitin.com](https://turnitin.com)
2. Log-in, or if you have never had an account:  
Click on "Create account," located under the log-in box for username.
3. In the bottom right section, you will see "New Users" in blue letters. Click there.
4. Under "Create a New Account," select "student" at the bottom of the page!
5. When asked, enter the class ID (**see below**) and class enrollment key (**the key is wolfpack**).
6. Complete the profile information. Make sure you are using your \*\*\*\*\*@guhsd.net address.

5. Upload the assignment by finding the document in your google drive.
